

CHURCH COMMUNICATION UPDATE

19 March, 2020

Good afternoon church family,

Just a short email today with some quick updates –

Sunday's church service will be live streamed at 10am on Sunday via Facebook.

We would love for as many people as possible to join us in this way. This platform will also provide us the opportunity to say hello to one another via the online world!

It will be a little different, and may feel a little odd ... but it is an opportunity for us all to try something new together and continue to encourage one another in this time.

If you don't have facebook and would like to know how to join / use it and need a little help, we have some people who can assist you – please just send me an email or phone and we can organise that.

If you are on facebook, but don't follow us – please click here and change that 😊

If joining us live at 10am isn't going to work for you, that's ok – we will have the video on the website as soon as possible for you to watch, and DVD's available for those not online. We will also produce some resources to go along side this week's sermon to help you and your family engage in some discussion, prayer and activity to connect with Mike's message.

And in a time where it feels like everything is being cancelled – here is a little reflection –

Remember

Conversations will not be cancelled.

Relationships will not be cancelled.

Love will not be cancelled.

Songs will not be cancelled.

Reading will not be cancelled.

Self-care will not be cancelled.

Hope will not be cancelled.

May you know the peace and grace of our Lord Jesus as you go into your evening.

Blessings

Katrina
