

Playgroup at King's Term 3, 2020

Playgroup is back!!!!

Welcome to term 3 of 2020, we are so glad to be back after an extended period of being apart due to COVID-19. A special welcome to all our families. We hope our online playgroup community has been a place for connection and friendship. But, we are so glad to be returning to face to face playgroup and CAN'T WAIT to see you! The Playgroup Team.

A message from Laura...WELCOME BACK!

After many MANY weeks of being apart, we could not be more excited about coming back together for Playgroup in Term 3. We have really missed you and our wonderful playgroup community and are looking forward to getting into an exciting term as we continue our theme "We're going on an adventure".

As we prepare to come back together safely, we will need to stick to the current COVID-19 guidelines, which include:

- Social distancing 1 adult/2m2 - we will need to practice chatting at a distance ;)
- 1 adult per family where possible
- No shared food, please bring your own fruit snack and water
- Strict hand washing before food and activities, hand sanitiser is available at the ELC entrance
- All playgroup families will need to sign in and out every week
- Bookings may be required if sessions get too large (more info to come week 1 next term)
- Fees need to be paid via card as often as possible
- If you are or your child are unwell or vulnerable, please stay home. Thank you.

Sign in and payment can still be made in the reception area before entering the ELC.

This has been a challenging and often lonely season for many of our playgroup families who have been missing the connection, friendship and support playgroup provides. We are glad it's over and look forward to celebrating with you as we come back together in term 3.
